

Being local to you we can offer you a FREE and unrivalled delivery service, always being there when you need us and with only £15.00 minimum order value.

Our aim is simply to supply you with high quality products, some of which are exclusive to us, to keep your customers coming back for more, and at the right price to keep your profits up.

#### Ordering:-

You can place an order with us 24 hours a day by phoning into our sales team in the office during working hours or leaving your order on the after hours answering service. Fresh or Prepared Veg must be ordered before 12pm the day before you would like it delivering.

This is to ensure all raw stock is ordered in time so we don't let you down for your delivery. Pre-orders and standing orders are preferred if it is at all possible, but we will always do our best for you.

Orders should be placed by 5:00pm the day before your delivery day to help us get all the stock to you and at a time that works for us both.

Full orders placed after that time cannot be guaranteed, however, additions can be made to your original orders.

#### Payment terms:-

All goods delivered should be paid for on delivery, unless credit terms have been agreed with the sales team and the relevant forms filled in.

All prices are correct at the time of printing but are subject to change throughout the year.

## Success has a ring to it.

Delicious donuts! Hot or cold, American style cake donuts, seaside rings or Berliners, Cereform's yeast raised and cake donut mixes make for a mouthwatering end product!

The icing on the cake? Well, we provide that too with our complementary range of fudge icings and fillings.

The highest quality ingredients make sure that time and again we're the UK's market leader.

Success certainly has a ring to it...
